### Changing of the Guard

Sharing the wealth amongst volunteers is the key to getting things done. No one of us can do it all . . . forever. You've got to expand your membership & leadership pool, and that means passing the baton of responsibility on to others, and embracing new & different ideas.

For the past year we've worked to put together a new club, held community service events, and held fundraisers to support those events, and now we've got a new batch of leaders stepping up to the plate to make our next year better than the last.

Former 1<sup>st</sup> Vice President Bill Palmer is now the President of our club, while former Tail Twister and Past President Bruce Stimpson is our new 1<sup>st</sup> Vice President, Cindy Rohm will soon be our new Treasurer, and Jennie McCurry will become the Tail Twister. Mar Palmer will continue on as Secretary, and Penny Wilson as Membership Director.

We're sad to see Chris and Sarah Kelly step down as they prepare to move out of the area, but we're joyful that they've have had a new healthy baby boy.

As Immediate Past President I'm not going anywhere and will continue to help guide the club, and as editor of the Tri City Times I'll continue to help keep the community stay informed of ours and other service organizations activities in the area (time permitting).

I would like to extend a personal invitation to you to attend our meeting on the 26th of September and listen to our Guest Speaker, Doctor Steve Tronnes, from Weston Eye Center, and a member of the Board of Trustees of the Oregon Lions Sight & Hearing Foundation, who will be talking about Oregon's Sight & Hearing Programs. This should be an excellent presentation and an opportunity for you to see what Lions really do.

**Monday, 26<sup>th</sup> of September, 6:30 PM, at the SUSC Office on Chadwich Street in TC, across from the H.S.**

### About the South Douglas Food Bank

The South Douglas Food Bank is located at the corner of 5<sup>th</sup> and E Street in Riddle, and serves all of southern Douglas County, usually between 300 and 350 households a month (1,000 to 1,350 individuals). Except in emergency situations, clients generally come no more than once a month, and most families only six times or less a year. The only information required is a name, local address, and the number of people in the household. The SDFB serves more food boxes than the other three agencies, that serve food boxes, combined.

### Country Club Tavern

The facility is a 'shopping styled' experience. They are given color coded cards which is a guide to the amount of food they are allowed to take. A volunteer meets each client with a shopping cart filled with boxes and plastic bags (unless the client brings cloth bags). They then go together through the store with the client selecting from each section. Among the items available are fresh milk and eggs, margarine, donated deli items, fresh produce, canned vegetables, fruit, soup, tuna, stew, sauces, pasta, rice, baking items, beans, peanut butter, cereal and oats, crackers or chips, bread, desserts, toilet paper, soap, and meat and vegetables.

Hours of operation are every Thursday from 9:00 AM to noon and third, fourth, and fifth Sundays from 10:00 to noon. About 40 volunteers work each month to pick up donations and purchased food, stock shelves, clean the facility, repack items, do paperwork, and assist people as they shop.

The food bank would not be possible without the help of grants and local donations of food and money. Checks can be mailed to: **South Douglas Food Bank**, P.O. Box 470, Riddle, OR, 97469.

\*\*\* Food donations including fresh produce from gardens can be brought to the facility an hour before opening or other arrangements can be made by calling (541) 643-3831.
